Conservation Grant towards church repairs  
Our application for a conservation grant has been successful with recent notification that €25,000 has been approved by the Minister for Arts and Heritage, Mr Jimmy Deenihan. This has come about mainly by Catherine Byrne's persistent calls to the Ministers office, which is greatly appreciated. A number of terms and conditions must be strictly adhered to, primarily that the funding be used for external structural repairs. This work will commence shortly.

### On Children

*Kahlil Gibran*

Your children are not your children.  
They are the sons and daughters of Life's longing for itself.  
They come through you but not from you,  
And though they are with you yet they belong not to you.  
You may give them your love but not your thoughts,  
For they have their own thoughts.  
You may house their bodies but not their souls,  
For their souls dwell in the house of tomorrow,  
which you cannot visit, not even in your dreams.  
You may strive to be like them,  
but seek not to make them like you.  
For life goes not backward nor tarries with yesterday.  
You are the bows from which your children  
as living arrows are sent forth.  
The archer sees the mark upon the path of the infinite,  
and He bends you with His might  
that His arrows may go swift and far.  
Let your bending in the archer's hand be for gladness;  
For even as He loves the arrow that flies,
