26th Sunday of the Year

Gospel Mk9: 38-43.45.47-48

Acceptance, appreciation & the promotion of diversity is one of the messages of this week's Gospel story. Jesus's' mission was one of inclusiveness—all were accepted in His company.

Because of His vision, the disciples understood that

'anyone who is not against us is for us'.

How inclusive am I in my actions and attitude?

Creation Time

September 1st –October 4th (Feast of St Francis)

'as long as earth endures, seedtime and harvest...shall not cease'

Harvest time is an opportunity to give thanks for God's rich provision, to enjoy and celebrate the fruits of our abundant planet, to pray for its protection and commit ourselves to its healing and care.

The liturgy of 3rd/4th October will celebrate in a special way the gift of Creation. On this week-end, we will welcome Colm Hogan from Trocaire who will speak on a topic of worldwide concern-Climate Justice. Changing weather patterns, as a result of climate change increase the risk of crop failure: the effect of a bad harvest in one part of the world can have dramatic impact elsewhere particularly in developing countries.

Following all Masses on 3rd/4th, you are invited to share some fruits of the harvest.

Parish Visitation

Recognising the need to outreach to the wider community, a group of parishioners came together just over a year ago to form a visitation team. In this time, just over half the parish has been visited, the group also paid a visit last Christmas to all parishioners who are now residing in nursing homes. The purpose of the parish visitation is:

- to help people feel connected, regardless of how long they are living in the parish.
- to present the friendly, caring face of the parish.
- an invitation to hear of any need that the visitation team, on behalf of the parish, could respond to.

Members of the visitation team will speak of their experience at Masses this coming week-end.

Ministers of the Word KEEP THIS DATE Monday, 12th October.

In recent times, we are very fortunate to have a number of new people join the reader's group. It's important from time to time to meet with each other, to support, affirm and share our experience of reading scripture in church. A meeting will take place on the 12th at **7.30pm** in the DeMazenod Centre. **ALL** Ministers of the Word are asked to make a special effort to attend.

'our insistence that each human being is an image of God should not make us overlook the fact that each creature has its own purpose. None is superfluous. The entire universe speaks of God's love, his boundless affection for us. Soil, water, mountains: everything is, as it were, a caress of God'
