St. Michael's Parish Inchicore

3rd July 2016

14th Sunday of the Year

Gospel (Lk10:1-12.17-20)

'The Lord appointed seventy two and sent them out ahead of him'

Who were these seventy two? None are mentioned by name or identified in any other scripture passage as being part of the seventy two. Was there a woman amongst them? Whoever they were, they were not seeking positions of power or name recognition, but were willing to go where they were sent to use their gifts for the good of those they encountered. People not overly concerned if they have the necessary skills, right words or fully equipped for their mission.

Just ordinary people like you and me!

Lord help us to be a community

That will be more courageous than cautious

That will not only love the world but will also judge the world.

That will not only pursue peace but will demand justice.

That will not remain silent

when people are calling for a voice to be heard.

That will not pass by on the other side

when wounded humanity is waiting to be healed.

That will not only call us to worship

but also send us out to witness.

To this end we offer ourselves

in the name of him who loves us.

Summertime...winding down

With the schools closed and people coming and going on holidays, many groups are now taking well earned breaks and allowing time to recharge their batteries. Among these will be the **Children's' Liturgy Group** and the **Choirs**. The parish greatly appreciate the dedication and commitment of these two groups who add so much to our weekly liturgies. Activity and colouring sheets will continue to be available to occupy the younger children during this time. And like all other groups, the leaders of the children's liturgy would greatly welcome additional helping hands, so please consider helping out on their return.

All are invited for a get together over refreshments following the 11am Mass on Sunday 10th July.

1916 Commemorative Tree

Though memories will fade in time, one permanent symbol of our parish commemorations is the commemorative tree planted in the church grounds during this time. This variety of Juneberry tree displays white delicate flowers in Spring, red berries in Summer, very popular with the birds, and a great display of colour in Autumn. This tree will be a living and permanent reminder of this special time in our parish, and also a symbol of nature's strength, beauty and endurance. And again, thanks to the gardeners who maintain and keep the church grounds looking magnificent.
