### Dare to be Different

‘Dare to be different; life is so full of people who follow the same push-and-pull.

Poor, plodding people who, other than name

Try to pretend they're exactly the same.

God made us different; there never will be

a replica soul made of you or me.

The charm-the glory of all creation rests on this very deviation.

Your charm-your own glory, too,

Lies in being uniquely you-

Lies in being true to your best,

That part of you different from all the rest”

‘Each tree in blossom,

Each lovely spray.

In this month of our Lady,

Brings glory to May’

### Inchicore Environmental Group
