What must you break apart in order to bring people together?

28th Sunday of the Year

Just for today, I will simply be, and be content with that...

1st Communion

The **Enrolment Ceremony** for the children from Our Lady of Lourdes N.S. and the children from our community who attend Gael Scoil Inse Chor will take place at the 11a.m. Family Mass this Sunday. As a faith community, we all have a part to play in supporting the children and their families as they prepare for their 1st Communion. We pray for them and wish them well in their preparation.

Mission Sunday.... Theme 'Abundant Life'

World Mission Sunday is celebrated globally on **18th October**. On Mission Sunday, we unite ourselves in prayer with our missionary sisters and brothers, many working in very difficult and challenging environments. Mission Sunday is also a reminder that, by our Baptism, we are all called to mission. Our missionary duties are lived out by our service and support to each other in our families and community.

'each individual Christian and every community is missionary to the extent that they bring to others and live the Gospel, and testify to God's love for all, especially those experiencing difficulties. Be missionaries of God's love and tenderness! Be missionaries of God's love and tenderness! Be missionaries of God's mercy which always forgives us, always awaits us and loves us dearly'
Pope Francis

The second collection on this week-end will be in support of the churches' missionary work.

The Annual Mass for all in our community who died during the past year will take place on **Monday, November 2nd**.

Creation Liturgy

The creation liturgy of last week-end was a celebration & thanksgiving for the abundance and generosity of the earth. This was reflected in the beautiful display of fruit, vegetables and Autumn colours. Attention was also drawn to the fact that 1 in 8 people worldwide suffer hunger. In the presentation given by Colm Hogan of Trocaire, we were reminded of the impact of climate change on the developing world and how we can meet this challenge. One practical way is to sign the **Global Climate Petition**. This is calling on world leaders, including our own, to take action by cutting carbon emissions as they prepare for a major climate summit in Paris this December.

You can sign the petition in the church, or on line by going to

www.trocaire.org

Thanks to Colm Hogan for his informative presentation, to Sr Breda's for her creativity, to Joan Stapleton for the variety of vegetables from her allotment, and for all who brought and helped with refreshments.

Ministers of the Word

All Ministers of the Word are invited to a meeting on Monday next, **12th October**. The meeting will be at **7.30p.m.** in the DeMazenod Centre. As it's some time since we met, this is an opportunity to re-connect, and to support and affirm each other in our ministry. Please make a special effort to attend.
